

Malaviya National Institute of Technology Jaipur Department Computer Science and Engineering

CERTIFICATE OF TRAINING

This is to certify that **Anuj Vishwakarma** from Jaypee University of Engineering & Technology has carried out the virtual summer internship project work titled "**Disease Identification in Citrus Fruits**" from 01/06/2022 to 30/08/2022 for duration of 3 months under my supervision.

This report embodies results of original work and studies carried out by the candidate himself and the contents of the report do not form the basis for the award of any other degree to the candidate or to anybody else.

I wish him all the best for his future endeavours.

Regards,

Dr. Ashish Kumar Tripathi

Assistant Professor

Department of Computer Science and Engineering

National Institute of Technology, Jaipur, India
